

2026 MEMBERSHIP CATEGORIES

Ford's Colony Country Club offers four distinct membership categories for 2026. Each option is designed around how members actually use the Club, with clear access, transparent booking privileges, and built-in value.

Members may remain in their current membership or choose to transition to a different category based on their household needs and lifestyle.

PREMIER MEMBERSHIP

\$449/MONTH | \$750 INITIATION

FAMILY MEMBERSHIP

Premier is the most complete Ford's Colony experience, offering the highest level of access, priority, and included value. This membership is designed for avid and competitive golfers who want maximum flexibility and premium conveniences every time they visit.

Premier members enjoy unlimited, anytime access to all three courses, the earliest tee time booking window, and exclusive eligibility for MGA and LGA play. New for 2026, Premier includes several benefits that previously carried additional fees, such as complimentary GHIN handicap service, free bag storage, complimentary guest rounds, free room rentals for member-hosted events, and 20 percent savings on food and pro shop purchases.

CLASSIC MEMBERSHIP

\$319/MONTH | \$500 INITIATION

SINGLE MEMBERSHIP (OPTIONAL FAMILY ADD-ON \$100 PER MONTH)

Classic Membership is designed for individuals who want unrestricted golf access without paying for family benefits they may not use. It replaces the former Signature category and removes prior time-of-day and course restrictions.

Classic provides unlimited, anytime access to all three courses, a clear booking window, and strong everyday value through dining and retail savings. An optional family add-on allows members to customize access based on household needs.

TWILIGHT MEMBERSHIP

\$249/MONTH | \$500 INITIATION

FAMILY MEMBERSHIP

Twilight Membership is ideal for golfers who prefer to play later in the day. For 2026, Twilight now includes access to all three courses after 2:00 p.m., eliminating previous course limitations.

Members receive full practice and range access, dining and pro shop savings, and discounted room rentals. Twilight delivers excellent value for after-work golfers, retirees, and those with flexible schedules.

SOCIAL MEMBERSHIP

\$79/MONTH | \$250 INITIATION

FAMILY MEMBERSHIP

Social Membership is the lifestyle gateway to Ford's Colony. It provides access to dining, social events, and member programming, along with charging privileges and newly added dining and pro shop savings for 2026.

Golf access is included through four annual hard-pass rounds, with optional range access available. Social is ideal for residents and families who value community, dining, and events, with occasional golf.

AT-A-GLANCE MEMBERSHIP COMPARISON

Feature	Premier	Classic	Twilight	Social

Charging Privileges	Yes	Yes	Yes	Yes
Dining & Social Events	Yes	Yes	Yes	Yes

CHOOSING THE RIGHT MEMBERSHIP

PREMIER is best for golfers who want priority access, competitive play, and the most included value.

CLASSIC is ideal for individual golfers seeking unlimited access without family pricing.

TWILIGHT is a strong fit for afternoon and evening golfers who want full course access later in the day.

SOCIAL now includes 10% food and beverage and pro shop savings, which were not part of the Social category in 2025; also, access to dining, events, and defined golf.
